PHOTOGRAPHY

is the art, application and practice of creating durable images by recording light or other electromagnetic radiation, either electronically by means of an image sensor, or chemically by means of a light-sensitive material such as photographic film.

QURAN

The Qur'an is the holy book for Muslims, revealed in stages to the Prophet Muhammad over 23 years. Qur'anic revelations are regarded by Muslims as the sacred word of God, intended to correct any errors in previous holy books such as the Old and New Testaments

Menu B

MINDFULNESS

exercises will help your child get a better touch with their thoughts and feelings. With increased awareness of how they're feeling in the moment, comes less emotional reactivity and a greater ability to listen and communicate more thoughtfully and effectively

PAINTING

painting are part of a body exploration; they learn how to hold the writing tools in their hands, and how to use them (even in less suitable ways); they experiment with all the colors; and often they love finger paint for the discovery of the different tactile sensations.

MUN & PUBLIC SPEAKING SKILLS SDG

MUN stands for Model United Nations, and is an activity that takes place at schools and universities worldwide. It is a sort of role play, where students take on the role as delegates (ambassadors) for nations in different UN bodies.
