

SHINING STAR INTERNATIONAL SCHOOL
NO SMOKING POLICY
2021-22

INTRODUCTION:

SSIS has a responsibility for the maintenance and improvement of the health and safety of students and staff. SSIS acknowledges that breathing other people's smoke is a public health hazard. This policy recognizes that secondhand smoke can adversely affect the health of students, employees and the public.

OBJECTIVE:

To explain to all the students, staff, stakeholders, visitors and contractors the attitude towards smoking & to protect from ill-effects of active and passive smoking.

AIM:

Aim is to protect all the students, staff, stakeholders, visitors and contractors from exposure to secondhand smoke and to maintain school campus as a NO SMOKING ZONE.

KEY GOALS:

- Protect the health of students & staff.
- Comply with health & safety legislation.
- Guarantee a healthy working environment & protect the current and future health of students, staff & stakeholders.
- Guarantee the right of everyone to breathe air free from Tobacco Smoke.
- Raise awareness of the dangers associated with exposure to tobacco smoke.

The cooperation of the entire SSIS staff, stakeholders and visitors is required to ensure compliance with SSIS "NO SMOKING POLICY".
